GENERAL NOTES

READ THIS DOCUMENT: It explains the scope and limitations of a Structural Pest Control Inspection and Wood Destroying Pest Organism Inspection Report.

A Wood Destroying Pest and Organism Inspection Report contains findings as to the presence or absence of evidence of wood destroying insects or organisms (fungi/rot) in visible and accessible areas on the date of inspection. It contains our recommendations for correcting any infestations, infections or conditions found. The contents of the Wood Destroying Pest and Organism Inspection Report are governed by the Structural Pest Control Act and the rules and regulations of the Structural Pest Control Board.

Some structures may not comply with building code requirements or may have structural, plumbing, electrical, heating and air conditioning, or other defects that do not pertain to wood destroying organisms. A Wood Destroying Pest and Organism Inspection Report does not contain information about such defects as they are not within the scope of the license of the inspector or the company issuing this report. Nor does a Wood Destroying Pest and Organism Inspection Report contain information about asbestos or any other environmental or safety hazard. Should interested parties desire opinions regarding these items, it is recommended that the owner engage the services of a reputable "whole house" inspection company.

NOTE: THE EXTERIOR SURFACE OF THE ROOF WAS NOT INSPECTED. IF YOU WANT THE WATER TIGHTNESS OF THE ROOF DETERMINED, YOU SHOULD CONTACT A ROOFING CONTRACTOR WHO IS LICENSED BY THE CONTRACTOR'S STATE LICENSE BOARD.

NOTICE: REPORTS ON THIS STRUCTURE PREPARED BY VARIOUS REGISTERED COMPAINES SHOULD LIST THE SAME FINDINGS (i.e. termite infestation, termite damage, fungus damage, etc.) HOWEVER, RECOMMENDATIONS TO CORRECT THESE FINDINGS MAY VARY FROM COMPANY TO COMPANY. YOU HAVE A RIGHT TO SEEK A SECOND OPINION FROM ANOTHER COMPANY.

NOTICE TO OWNER: UNDER THE CALIFORNIA MECHANICS' LIEN LAW, ANY STRUCTURAL PEST CONTROL COMPANY WHICH CONTRACTS TO DO WORK FOR YOU, ANY CONTRACTOR, SUBCONTRACTOR, LABORER, SUPPLIER OR OTHER PERSON WHO HELPS TO IMPROVE YOUR PROPERTY, BUT IS NOT PAID FOR HIS OR HER WORK OR SUPPLIES, HAS A RIGHT TO ENFORCE A CLAIM AGAINST YOUR PROPERTY. THIS MEANS THAT AFTER A COURT HEARING, YOUR PROPERTY COULD BESOLD BY A COURT OFFICER AND THE PROCEEDS OF THE SALE USED TO SATISFY PEST CONTROL COMPANY IN FULL IF THE SUBCONTRACTOR, LABORERS, OR SUPPLIERS REMAIN UNPAID

TO PRESERVE THEIR RIGHT TO FILE A CLAIM OR LIEN AGAINST YOUR PROPERTY, CERTAIN CLAIMANTS SUCH AS SUBCONTRACTORS OR MATERIAL SUPPLERS ARE REQUIRED TO PROVIDE YOU WITH A DOCUMENT ENTITLED "PRELIMINARY NOTICE". PRIME CONTRACTORS AND LABORERS FOR WAGES DO NOT HAVE TO PROVIDE THIS NOTICE. A PRELIMINARY NOTICE IS NOT A LIEN AGAINST YOUR PROPERTY. ITS PURPOSE IS TO NOTIFY YOU OF PERSONS WHO MAY HAVE A RIGHT TO FILE A LIEN AGAINST YOUR PROPERTY IF THEY ARE NOT PAID.

NOTE: IF DURING THE COURSE OF PERFORMING ANY REPAIRS, ANY FIXTURE OR PLUMBING IS FOUND TO BE UNSERVICEABLE, DAMAGED OR DEFECTIVE, THERE WILL BE AN ADDITIONAL CHARGE FOR REPAIR AND/OR REPLACEMENT, AS NECESSARY.

NOTE: IT IS RECOMMENDED THAT BUILDING PERMITS BE OBTAINED FOR ALL WORK REQUIRING PERMITS, PRIOR TO BEGINNING THE RECOMMENDED REPAIRS. FOR INFORMATION CONCERNING THE BUILDING DEPARTMENT AND PERMIT REQUIRMENTS, CONTACT THE LOCAL BUILDING DEPARTMENT. WORK PERFORMED AS REQUIRED UNDER PERMIT FROM THE BUILDING DEPARTMENT PRIOR TO CONSIDERING SUCH TO BE COMPLETED. BUILDING DEPARTMENT MAY REQUIRE INSTALLATION OF SMOKE/HEAT DETECTORS AS A CONDITION OF OBTAINING A BUILDING PERMIT.

This property was not inspected for the presence or absence of health related molds or fungi. By California law, we are neither qualified, authorized, nor licensed to inspect for health related molds or fungi. If you desire information about the presence or absence of health related molds or fungi, you should contact an industrial hygenist.

The Structural Pest Control Board Mold Policy Statement is as follows:

"Molds, sometimes called mildew, are not wood-destroying organisms. Branch 3 licensees do not have a duty under the Structural Pest Control Act and related regulations to classify molds as harmful to human health or not harmful to human health. This does not modify the Structural Pest Control Act or related regulations."

This statement is being provided to you for informational purposes.

NOTICE TO OWNER/TENANT

State law requires that you be given the following information:

CAUTION - PESTICIDES ARE TOXIC CHEMICALS. Structural Pest Control Operators are licensed and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the California's Department of Pesticide Regulation and the United States Environmental Protection Agency. Registration is granted when the state finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

If within 24 hours following application, you experience headache, dizziness, nausea, tearing, coughing, nose and throat irritation or develop shortness of breath, double vision, unusual drowsiness and weakness, or tremors, contact your physician or poison control center (see below) and your pest control operator immediately. If rodenticide ingestion occurs, you may experience symptoms of mild shock and/or bleeding.

THIS CONTRACT PROVIDES FOR RETREATMENT OF A STRUCTURE AND THE REPAIR OF DAMAGES CAUSED BY DRYWOOD (Kalotermes spp., Incisitermes spp., Cryptoterme spp.) TERMITES ONLY WITHIN THE LIMITS STATED IN THIS CONTRACT.

Terminix will provide fumigation and/or other service(s) to the identified property to control or protect against drywood termites. This plan does not protect against any other wood destroying pests or organisms, including but not limited to formosan termites (Coptoterme spp.), subterranean termites (Reticuliterme spp., Heteroterme spp.), dampwood termites, nor beetles, carpenter ants, or fungi.

Nothing contained in this provision shall be deemed to allow Terminix to change this Agreement from a Protection Plan to a Service Plan.

During the term of this Plan, any further treatment found necessary by Terminix for drywood termites will be performed free of charge. Terminix will reinspect the identified property at least once every three years or at any time the Purchaser requests it or if Terminix believes it is necessary. This Plan provides protection against new drywood termite damage to the structure only. If the new damage occurs during the term of this Agreement, Terminix will, upon notification, inspect and arrange for the necessary repairs or replacement by a contractor chosen by Terminix and pay the entire cost of labor and materials. New damage is defined as damage done by drywood termites subsequent to the date of this Agreement; the definition excludes damage existing at the effective date. Unless live termites are found in the damaged area, the damage discovered is old damage and is not covered under this Plan.

All corrections of infestations or infections covered by the control service agreement shall be completed within six months of discovery, unless otherwise agreed to in writing by both parties.

Terms and Conditions

GENERAL TERMS & CONDITIONS APPLICABLE TO ALL SERVICES

WATER LEAKAGE. Water leakage in treated areas, in interior areas or through the roof or exterior walls of the structures on the premises, may destroy the effectiveness of treatment by Terminix and is conducive to new infestation. Purchaser is responsible for making timely repairs as necessary to stop the leakage. Purchaser's failure to make timely repairs will terminate this Agreement automatically without further notice. Terminix shall have no responsibility for repairs with respect to water leakage.

OWNERSHIP TRANSFER. Upon transfer of ownership of the structures, Services may be continued upon request of the new owner and upon payment of the Ownership Transfer Fee set forth in this Agreement. In addition, Terminix reserves the right to revise the service charges upon transfer of ownership. In the event the new owner fails to request continuation of this Agreement or does not agree to pay the transfer fee of the revised service charges, this Agreement will terminate automatically as of the date of the change of ownership.

FORCE MAJEURE. Terminix will be not liable to Purchaser for any failure to perform or delay in the performance under this Agreement attributable in whole or in part to any cause beyond its reasonable control and without its fault or negligence, including but not limited to acts of God, fires, floods, earthquakes, strikes, unavailability of necessary utilities, blackouts, government actions, war, civil disturbance, insurrection, or sabotage.

ADDITIONAL DISCLAIMERS. This Agreement does not cover and Terminix will not be responsible for damage resulting from or services required for: (a) termites and/or any other wood-destroying organisms except as specifically provided herein; (b) moisture conditions, including but not limited to fungus damage and/or water leakage caused by faulty plumbing, roofs, gutters, downspouts and/or poor drainage; (c) masonry failure or grade alterations; (d) inherent structural problems, including but not limited to, wood to ground contacts; (e) termites entering any rigid foam, wooden or cellulose containing components in contact with the earth and the Structures regardless of whether the component is a part of the Structures; and (f) the failure of Purchaser to properly cure at Purchaser's expense any condition that prevents proper treatment or inspection or is conducive to pest infestation.

CHANGE IN LAW. Terminix performs its services in accordance with the requirements of law. In the event of a change in existing law as it pertains to the services herein, Terminix reserves the right to revise the service charges or terminate this Agreement.

NON-PAYMENT, DEFAULT. In case of non-payment or default by the Purchaser, Terminix has the right to terminate this Agreement. In addition, cost of collection including reasonable attorney's fees shall be paid by the Purchaser, whether suit is filed or not. In addition, interest at the highest legal rate will be assessed for the period of delinquency.

CHANGE IN TERMS. At the time of any renewal of this Agreement, Terminix may change this Agreement by adding, deleting or modifying any provision. Terminix will notify the Purchaser in advance of any such change, and Purchaser may decline to accept such a change by declining to renew this Agreement. Renewal of this Agreement will constitute acceptance of any such changes.

SEVERABILITY. If any part of this Agreement is held to be invalid or unenforceable for any reason, the remaining terms and conditions of this Agreement shall remain in full force and effect.

MANDATORY ARBITRATION. Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise ("Claim"), arising out of or relating to this agreement or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer, as applicable, Rules in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver." Venue for arbitration hereunder shall lie in Memphis, TN.

CLASS ACTION WAIVER. Any Claim must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. **THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION. HOWEVER, THE PARTIES UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.**

GOVERNING LAW. Except for the Mandatory Arbitration Clause of this Agreement which is governed by and construed in accordance with the Federal Arbitration Act, this Agreement shall be governed by, and construed in accordance with, the laws of the state in which the dispute arises without regard to the conflict of laws provisions.

ENTIRE AGREEMENT. This Agreement, together with all exhibits thereto, constitutes the entire agreement between the parties, supersedes all proposals, oral or written, and all other communications between the parties relating to such subject matter and no other representations or statements will be binding upon the parties. This Agreement may not be modified or amended in any way without the written consent of both parties.

GENERAL TERMS & CONDITIONS APPLICABLE ONLY TO TERMITE AND PEST CONTROL SERVICES (OTHER THAN RODENT EXCLUSION SERVICES)

OWNERSHIP TRANSFER. Upon transfer of ownership of the Structures, Services may be continued upon request of the new owner and upon payment of an ownership transfer fee as determined by Terminix in its sole discretion. In addition, Terminix reserves the right to revise the Annual Renewal Term Fee, if applicable, upon transfer of ownership. In the event the new owner fails to request continuation of this Agreement or does not agree to pay the transfer fee of the revised Annual Renewal Term Fee, if applicable, this Agreement will terminate automatically as of the date of the change of ownership.

WATER LEAKAGE. Water leakage in treated areas, in interior areas or through the roof or exterior walls of the Structures, may destroy the effectiveness of treatment by Terminix and is conducive to new infestation. Purchaser is responsible for making timely repairs as necessary to stop the leakage. Purchaser's failure to make timely repairs will terminate this Agreement automatically without further notice. Terminix shall have no responsibility for repairs with respect to water leakage.

ADDITIONS OR ALTERATIONS TO STRUCTURES. This Agreement covers the Structures described on the Inspection Graph as of the date of the installation of the Baiting System and/or Liquid Defend System. In the event the premises are structurally modified, altered or otherwise changed, or if soil is removed or added around the foundation, or if Baiting System stations are removed or disturbed (collectively "Alterations"), Purchaser must provide Terminix with written notice of such Alterations within ten (10) days of the occurrence of such Alteration. Purchaser's failure to provide such notice will terminate this Agreement automatically without further notice. The failure of Terminix to discover such Alterations does not release Purchaser from the obligations to provide written notice to Terminix of the same. Purchaser shall pay Terminix's then current charges for a service call to evaluate the Alterations and provide additional Bait Station treatment and/or Liquid Defend System treatment as a result of the Alterations. Terminix reserves the right to increase the Annual Renewal Term Fee as a result of the Alterations.

ADDITIONAL DISCLAIMERS. This Agreement does not cover and Terminix will not be responsible for damage resulting from or services required for: (a) any and all damage resulting from termites and/or any other wood-destroying organisms except as specifically provided herein; (b) moisture conditions, including but not limited to fungus damage and/or water leakage caused by faulty plumbing, roofs, gutters, downspouts and/or poor drainage; (c) masonry failure or grade alterations; (d) inherent structural problems, including but not limited to, wood to ground contacts; (e) termites entering any rigid foam, wooden or cellulose containing components in contact with the earth and the Structures regardless of whether the component is a part of the Structures; and (f) the failure of Purchaser to properly cure at Purchaser's expense any condition that prevents proper treatment or inspection or is conducive to termite infestation. **THIS AGREEMENT DOES NOT GUARANTEE, AND TERMINIX DOES NOT REPRESENT, THAT TERMITES WILL NOT RETURN.**

EXISTING DAMAGE. Terminix is not responsible for the repair of either visible damage or hidden damage existing as of the date of this Agreement or occurring prior to the Effective Date of this Agreement. Damage discovered after the Effective Date of this Agreement with no verified live and active infestation present shall be deemed to have been caused before the date. Because damage may be present in areas which are inaccessible to visual inspection, Terminix does not guarantee that the damage disclosed on the Inspection Graph represents all of the existing damage as of the date of this Agreement.
